THE WEDDING OF ANN and ROBERT

DON'T BE LOCKED OUT!

The door at the church's main entrance features a new security keypad on the door handle (your key is now useless). Temporary individual access codes will be distributed between now and when the new church officers are installed. Until then, if you haven't already been provided a punch code to allow your entrance for your church ministry needs, you may contact Ann Scales to request your access code. (402-217-6857) **(Remember to pull the new door handle all the way down.)**
